

Quarterly Report (December, 2010 – April, 2011)

Achievements

- Securing of a local corporate sponsor: KYFA secured a corporate sponsorship for the ladies league from Chandaria industries. Over 400 girls now receive sanitary pads and are capable of playing football freely and with increased confidence even during their menstrual cycle and can now go to school and learn comfortably even during their menstrual cycles.

- Publicity and marketing: Increased awareness of KYFA programs has had a net effect of increased number of teams, securing usage of the main stadium for KYFA competitions and better

understanding of the association’s programs amongst Kisumu Municipality authority and members.

Number of teams				Number of players				Number of leagues			
2010		2011		2010		2011		2010		2011	
Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls
61	6	114	18	1569	142	2600	400	8	1	16	3

- The above growth indicate improved capacity of local volunteers especially the association’s elected office bearers and league/zonal committees to mobilize players and clubs for competitions.
- Revision of competitions management guideline: The competitions manual was revised to clarify extended mandate of zonal committees, introduce code of conduct for league committees and entrench procedures of dealing with cases of non-consecutive walkovers and match fixing.
- Increased volunteerism in leagues: There is increased volunteerism especially with an average of four officials per club in the 65 KYFA clubs making an average of 260 people volunteering with clubs. There are 19 league committees with 57 members ad 5 zonal committees with a total of 26 members.
- There is increased presence of parents in service to the clubs. Six clubs have parents in club management committees and several clubs now have parents mobilizing financial contributions to club activities.
- Field rehabilitation: Rehabilitation of Nanga, Obunga and Ramogi football fields was undertaken during this period. This has enabled over 500 players to undertake daily trainings and weekly competitions. Community members and free age teams from other areas have also been able to use the fields.
- Registration of 4 teams comprising of street children who are under rehabilitation.
- A refresher course for 20 Coaches across Continents trainees conducted while 19 new coaches trained in introductory to Coaching Course
